

- c. Inform you of any complaints or queries that we might receive from OLIOers who we supply with your food.

5. We will not

- a. Collect food from you if the Food Waste Heroes has any concerns about the safety or quality of food. In particular we will not collect food:

- a.i. That has expired its "use by" date.

7. We have developed clear food safety guidelines in partnership with relevant authorities so that you can donate your food with confidence. Our systems will give you the peace of mind that your food will reach the consumer in a safe condition and that your business will not be exposed to any additional risk by helping to reduce food waste through OLIO.

We look forward to working together in the future but if things do not work out, either of us may cancel this agreement with 14 days written notice.
