

Data Analyst

ABOUT OLIO:

OLIO is the world's only neighbour-to-neighbour food sharing app, and our mission is to solve the problem of food waste in the home & local community, at scale. We do this by connecting anyone with spare food – which can be households or food businesses – with neighbours living nearby who would like it. Globally, over one third of all the food we produce gets thrown away, which is worth over \$1 trillion; and in a country like the UK half of all food waste takes place in the home. OLIO solves this problem with our award-winning mobile & web app.

Over the past 5 years OLIO has grown from a local initiative in North London to a global movement. We now have 4 million users who have given away 25 million portions of food, in 59 countries. OLIOers have also given away 3 million household items in our non-food section; and the new 'MADE' section in the app which connects neighbours to sell home-made food and hand-made crafts, is growing extremely fast.

Underpinning OLIO's incredible growth has been our volunteer programme, with over 50,000 people reaching out to spread the word about OLIO in their local community. We also work with over 2,500 business locations across the UK via our [Food Waste Heroes Programme](#) to enable them to have zero food waste locations.

We have a bold ambition to have 1 billion OLIOers by 2030, given that reducing food waste has been identified by Project Drawdown as the #1 most important thing humanity can do to mitigate the worst effects of the climate crisis. Our work has been widely recognised, most notably by the United Nations who highlighted OLIO as a "beacon" for the world, and by Vivatch who awarded OLIO "Next European Unicorn".

JOIN OUR TEAM!

In order to accelerate OLIO to its next level in growth and impact, we are recruiting for a **Data Analyst for the Food Waste Hero team**. You will report into our Head of Business Intelligence, which we're currently recruiting for, but in the interim will report into the Head of Product for the FWH Programme, and work closely alongside our current Data Analyst.

In this role you will be responsible for:

- **Data Analysis:** Analysing key business questions for our volunteer team in our burgeoning data via an SQL interface (both through GUI and command line tools)

- **Data Visualization:** Development of a “volunteer data dashboard” for the company to help us interrogate our data visually and in a user friendly manner
- **Data Innovation:** Liaison with our broader OLIO team to ensure that the right questions are being asked of our growing datasets, in the right order
- **Data Exploration:** Evaluation of the effects of specific initiatives/experiments at OLIO, generating and presenting reports of their efficacy
- **Reporting:** Setup of regular reports that provide insight into ongoing company/departmental performance
- **Advertising:** Assisting with online ad creative endeavours, their implementation and analysing their impact

This is an incredibly exciting time to join OLIO and help us unlock our full potential! OLIO is a remote-first company with an incredibly strong culture and was last year listed as a top 5 place to work by Escape The City. We live for our mission, but like to have fun along the way!

IS THIS YOU?

Our ideal candidate will first and foremost be as passionate about our mission as we are! In addition to this, you will have the following experience and skills:

- Significant prior experience with SQL and RDBMS
- Experienced in R or Python
- Preferable: experience with Mixpanel and Google Analytics
- Preferable: experience with either Google Apps Script or JavaScript
- Excitement about Productivity Tools and Data Science
- Curiosity about and enthusiasm for systems and processes
- Scrappy and resourceful when facing challenges of all types
- An eye for detail

And all OLIO team members share these attributes:

- Mission obsessed
- Self-starters with a ‘can-do’ attitude
- Resourceful and creative
- Thorough, but able to move quickly and decisively
- A ruthless ability to prioritise
- Excellent communication skills
- Diverse (18 nationalities, 21% LGBTQ+, early 20s to 45+)
- Fun to work with 😊

SALARY

£35,000 - £45,000, and you must be eligible to work in the UK

HOW TO APPLY

Please send your CV and covering email explaining why you like OLIO and why you are the right person for this role to careers@olioex.com. Please use the subject line – Application: Data Analyst
